AGREEMENT AND ASSIGNMENT dated as of December 1, 1972 between CHEMICAL BANK, a New York banking corporation ("Chemical") and UNITED BENEFIT LIFE INSURANCE COMPANY (the "Assignee").

WHEREAS, ORTNER FREIGHT CAR COMPANY (the "Manufacturer") and THE LIBERTY NATIONAL BANK AND TRUST COMPANY OF OKLAHOMA CITY, not in its individual capacity but solely as Trustee (the "Trustee-Vendee") under a Trust Agreement dated as of December 1, 1972, as heretofore or hereafter restated and amended (the "Trust Agreement") have entered into a Conditional Sale Agreement dated as of December 1, 1972 (the "Conditional Sale Agreement"), covering the construction, sale and delivery on the conditions therein set forth, by the Manufacturer and the purchase by the Trustee-Vendee of the railroad equipment described in Schedule A to the Conditional Sale Agreement (collectively the "Equipment" and individually "Items of Equipment"); and Amendment thereto,

WHEREAS, the Trustee-Vendee is leasing the Items of Equipment described in said Schedule A under an Equipment Lease as amended and restated by First Amendment and Restatement thereof and Amendment thereto, each dated as of the date hereto (the "Lease") to WEYERHAEUSER COMPANY, a Washington corporation (the "Lessee"); and

WHEREAS, the Manufacturer and Chemical have heretofore entered into an Agreement and Assignment (the "Manufacturer's Assignment") dated as of December 1, 1972 pursuant to which the Manufacturer has assigned, transferred and set over unto Chemical, its successors and assigns, certain of its right, title and interest in the Equipment to be manufacturer by it and in the Conditional Sale Agreement as it relates to such Equipment, including certain of its rights, powers, privileges and remedies under the Conditional Sale Agreement as the same relate to such Equipment, all as more fully set forth in the Manufacturer's Assignment; and

WHEREAS, the Items of Equipment have been delivered by the Manufacturer and accepted by the Trustee-Vendee under the Conditional Sale Agreement and by the Lessee under the Lease, and Chemical has paid to the Manufacturer for such Items of Equipment an amount equal to that portion of the Purchase Price (as defined in Section 3.1 of the Conditional Sale Agreement) of such Items of Equipment not required to be paid pursuant to subparagraph (a) of Section 3.2 of the Conditional Sale Agreement.

NOW, THEREFORE, THIS AGREEMENT AND ASSIGNMENT (the "Assignment"),

W I T N E S S E T H:

That, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration paid by the Assignee to Chemical, the receipt of which is hereby acknowledged, as well as of the mutual covenants herein contained:

Section 1. Assignment. Chemical hereby assigns, transfers and sets over unto the Assignee, its successors and assigns, effective July 17, 1973, but only upon the payment by the Assignee to Chemical of the sum provided to be paid in Section 2 hereof (and subject to the obligations of the Assignee to reassign to Chemical all right, title and interest assigned hereunder in the event the Assignee shall not make payment of such sum as provided in the final paragraph of Section 2 hereof):

(a) All right, title and interest of Chemical in and to each Item of Equipment upon payment by the Assignee to Chemical of the amount required to be paid under Section 2 hereof;

(b) All the right, title and interest of Chemical in and to the Conditional Sale Agreement insofar as the same relates to the Equipment, and in and to any and all amounts which may be or become due or owing to Chemical under the Conditional Sale Agreement on account of the indebtedness in respect of the Purchase Price (as defined in the Conditional Sale Agreement) of the Equipment and interest thereon, and in and to any other sums becoming due from the Trustee-Vendee under the Conditional Sale Agreement, other than those hereinabove excluded;

(c) All of Chemical's rights, powers, privileges and remedies under the Conditional Sale Agreement insofar as the same relate to the Equipment; and

(d) All the right, title and interest of Chemical, as assignee under the Manufacturer's Assignment, in and to the Manufacturer's Assignment, including without limitation, all covenants and agreements of the Manufacturer to Chemical and its successors and assigns therein set forth, and all of Chemical's rights, powers, privileges and remedies relating to the same;

without any recourse, however, against Chemical for or on account of the failure of the Trustee-Vendee to make any of the payments provided for in, or otherwise to comply with, any of the provisions of the Conditional Sale Agreement; provided, however, that this Assignment shall not subject the Assignee to, or transfer, or pass, or in any way affect or modify, the obligations of the Manufacturer to deliver the various Items of Equipment to be built by it in accordance with the Conditional Sale Agreement or with respect to its warranties and agreements contained in Sections 10.3 and 11 of the Conditional Sale Agreement or relieve the Trustee-Vendee from its obligations to such Manufacturer under Sections 10 and 12 of the Conditional Sale Agreement, it being understood and agreed that, notwithstanding this Assignment, or any subsequent assignment pursuant to the provisions of Section 12.4 of the Conditional Sale Agreement, all obligations of such Manufacturer to the Trustee-Vendee shall be and remain enforceable by the Trustee-Vendee, its successors and assigns, against and only against such Manufacturer. In furtherance of the foregoing assignment and transfer, Chemical hereby authorizes and empowers the Assignee in the Assignee's own name, or in the name of the Assignee's nominee, or in the name of and as attorney, hereby irrevocably constituted, for Chemical or the Manufacturer to ask, demand, sue for, collect, receive and enforce any and all sums to which the Assignee is or may become entitled under this Assignment and compliance by the Trustee-Vendee with the terms and agreements on their parts to be performed under the Conditional Sale Agreement, but at the expense and liability and for the sole benefit of the Assignee.

Section 2. Payment by Assignee. The Assignee, on July 17, 1973 (the "Assignment Closing Date"), shall pay to Chemical at its offices at 20 Pine Street, New York, New York, in Federal Reserve funds current in New York, or in funds otherwise immediately available to Chemical at such offices, a sum equal to the aggregate amount paid by Chemical to the Manufacturer of a portion of the Purchase Price (as defined in Section 3.1 of the Conditional Sale Agreement) of the Equipment on the Closing Date under the Conditional Sale Agreement, including the amount so paid, if any, by Chemical on the Assignment Closing Date; provided that, as conditions precedent to such payment, there shall be delivered to the Assignee on or before the Assignment Closing Date the following documents, in duplicate, which shall be in form and substance satisfactory to the Assignee and its special counsel:

In giving the opinions specified in the preceding subparagraphs (e), (f), (g), (h) and (i), counsel may qualify any opinion to the effect that any agreement is a valid and binding instrument enforceable in accordance with its terms by a general reference to limitations as to enforceability imposed by bankruptcy, insolvency,

reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally. In giving the opinions specified in the preceding subparagraphs (e) and (f), counsel may in fact rely as to the title to the Items of Equipment upon the opinion of counsel for the Manufacturer of such Items. In the opinion required under subparagraph (e) above, counsel shall state that in their opinion the Assignee is justified in relying on the opinion required under subparagraphs (f), (g), (h) and (i).

The Assignee shall not be obligated to make any of the above mentioned payments at any time while an event of default, or any event which with the lapse of time and/or demand provided for in the Conditional Sale Agreement would constitute an event of default, shall be subsisting under the Conditional Sale Agreement. In the event that the Assignee shall not make any such payment, the Assignee shall reassign to Chemical or such other party as Chemical shall direct, without recourse to the Assignee, all right, title and interest assigned hereunder to the Assignee in and to the Items of Equipment and all other rights, titles, interests, powers, privileges and remedies assigned pursuant to Section 1 hereof with respect to which payment has not been made by the Assignee.

Section 3. Subsequent Assignment. The Assignee may assign all or any of its rights under the Conditional Sale Agreement, including the right to receive any payments due or to become due to it from the Trustee-Vendee thereunder. In the event of any such assignment any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Assignee hereunder.

Section 4. Governing Law. The terms of this Assignment and all rights and obligations hereunder shall be governed by the laws of the State of New York; provided, however, that the parties shall be entitled to all the rights conferred by Section 20c of the Interstate Commerce Act and such additional rights arising out of the filing, recording or depositing of the Conditional Sale Agreement and this Assignment as shall be conferred by the laws of the several jurisdictions in which the Conditional Sale Agreement or this Assignment shall be filed, recorded or deposited.

Section 5. Execution. This Assignment may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and such counterparts together shall constitute but one and the same instrument, which shall be sufficiently evidenced by any such original counterpart. The Assignee agrees to deliver one of such counterparts, or a certified copy thereof, to the Trustee-Vendee and the Lessee. Although this Assignment is dated for convenience as of the date first above written, the actual date or dates of execution hereof by the parties hereto

is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.
